BAA Maryland Wins the Gold with the Addition of Olympic News

BALTIMORE – August 28, 2006 – BAA Maryland is pleased to welcome two Olympic News locations (Concourses B and C) to the AIRMALL® at Baltimore/Washington International (BWI) Thurgood Marshall Airport. As part of a joint venture with Hudson Group, who operates Hudson News and Gift locations at BWI, Olympic News will operate six locations in the AIRMALL®. Olympic News, owned and operated locally, will bring approximately 50 new jobs to the airport.

In Concourse B, the 725-sq.-ft. store, outfitted in cherry wood, is designed to give travelers a quick snapshot of merchandise being offered without ever stepping a foot in the door. From magazines and newspapers to sundries and souvenirs, travelers can quickly find the items they need.

Concourse C houses a 500-sq.-ft. self-enclosed kiosk made of blonde maple. The kiosk offers a variety of candies, soda, newspapers, gifts and more. This location features a plasma television that gives travelers a preview of the magazines offered at Olympic News.

Additional Olympic News locations will open with the continued expansion and redevelopment of the concession program.

About BAA Maryland

BAA Maryland is the developer and manager of a new retail program at Baltimore/Washington International Thurgood Marshall Airport. The initial phase of the two-year project, which encompasses approximately 140,000 square feet of new and refurbished concession space, commenced in May 2005 with the opening of the new Terminal A/B. A variety of new retailers and eateries will be opening new stores throughout the transition period. For more information, please visit www.airmall.com.

About BAA USA

BAA USA is affiliated with BAA plc, the world's leading airport company, which owns and operates seven UK airports (Heathrow, Gatwick, Stansted, Southampton, Aberdeen, Edinburgh, and Glasgow). BAA USA manages all operations of the Indianapolis International Airport and is the master developer and manager of the retail and food and beverage operations at the AIRMALL[®] at Pittsburgh International Airport, Baltimore/Washington International Thurgood Marshall Airport, and Boston Logan International Airport Terminals B and E/C. BAA has taken significant shareholdings in international airports including Naples, Italy. In Australia, BAA has a stake in six airports, with major retail programs in Melbourne and Perth. The company's core skills include airport management, retail development and leasing, property development, and management and project management. For more information, please visit www.baausa.com.
